After the inaugural session, Mahesh Joshi introduced the alphabet in Modi language to the students. He introduced the vowels & consonants of Modi language to the students. He explained the importance of Modi script in the history research of Maratha. More than four crore Modi script documents are available in Pune archives. Since very few people are aware of the Modi language, we are deprived of much of this history from the Maratha period. He said that it is very important to understand Modi language as it is the official language of the Maratha period.

Day Two : 27.02.2018

On the second day of course. Mahesh Joshi taught consonants of Modi Script. So all the students learned to write their name in Modi Script. Some students learned to sign in Modi Script.

Day Three : 28.02.2018

On the third day of course, the students were taught to write the Conjunctions, and Abbreviations in Modi Script.

Day Four: 01.03.2018

On the fourth day, Arabian numbers were introduced to students. Students were also taught how to identify period on different dates. Students were taught to find the date of the Arabic numerals.

Day Five : 02.03.2018

The students were examined on the Fifth day.

Day Six : 03.03.2018

On the Sixth day of course, Mahesh Joshi explained how the chronology was being done the Maratha period. He also gave detailed information about Hindu and Muslim chronology. He also informed about the abbreviated forms to be writing in Maratha
