Report Writing

26/11/2021

ICT has witnessed newest challenge for quality education among the learners. Using ICT in education it moved to more student centered learning. As a world rapidly moving towards digital information, the role of ICTs in education becoming more and more important and this important continue to grow and develop in 21st century. Information and Communication Technology can lead to improve student learning and better teaching method. A report made by the National Institute of Multimedia in Japan proved that an increase in student exposure to educational ICT through curriculum integration has a significant and positive impact on student achievement, especially in terms of knowledge comprehension, practical skill and presentation skill in subject such as science and social science

By knowing the importance and need of ICT to students we decided to aware the students about ICT in education and we engage lecture on ICT under the soft skill development programme. Lecture was scheduled on 25th November 2021 which was delivered by Asst. Prof. Arvind Mindhe from Department of Zoology. He gave the basic information about ICT, sources of ICT, role of ICT in education and also aware the students about advantages and disadvantages of ICT. For that event Hon. Principal Dr. G.R. Nimbalkar, IQAC Co-ordinator Dr. Jadhav N.D, Asst. Prof. Shelar A. R. was present. During that event IQAC Co-ordinator Dr. Jadhav N.D guide the students regards to importance of ICT, also Hon. Principal Dr. G.R. Nimbalkar also guide the student and finally programme was ended by vote of thanks which was given by Asst. Prof. Shelar A. R.
